

## Colored Candy Life Budget Worksheet

Each participant gets a pack of colored candies (.5 to 2 oz.). Separate the candy by color. Each colored candy is worth \$5.00 and represents a category below:

- Green:            Received allowance
- Red:             Went to the movies
- Blue:            Received a birthday gift
- Orange:        Sold items at a garage sale
- Yellow:         Bought souvenir on vacation
- Brown:         Went school clothes shopping

Income – money coming in	\$ Amount
Color: Green
